You can contact me to have more details about projects and experience

Exhibits

- 2002 Colective "Gaudí" at Ateneo Cerdanyola del Vallès
- 2003 "Taulas de Menorca" at the AFOCER headquarters
- 2004 "Perspectives" at Ripollet Biblioteque
- 2006 "Finland Walsks" at the AFOCER headquarters

With a strong self-taught component and high dedication to Digital Image and IT, until now, I'm putting the stress in the commercial photographic production more than in the artistic one.

You can found more info about my activities and also few exemples of my work in my web site www.domenechmilan.com.
